item. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, how they need it, so that class time is more effective. Connect allows the

Download

Ebook

Professor to assign homework, quizzes, and tests easily and automatically grades and records the scores of the student's work.

Problems are randomized to prevent sharing of answers and may also have a "multi-step solution" which helps move the

Download

Ebook

students' learning  
along if they  
experience  
difficulty.

This text covers  
the basic  
techniques and  
applications of  
engineering  
economy for all  
disciplines in the  
engineering  
profession. The

Download

Ebook

writing style emphasizes brief, crisp coverage of the principle or technique discussed in order to reduce the time taken to present and grasp the essentials. The objective of the text is to explain and demonstrate the principles and techniques of
