Our Story | We are High
Society

Social history, Branch of history that emphasizes social structures and the interaction of different groups in society rather than affairs of state. An outgrowth of economic history, it expanded as a discipline in the 1960s. It initially focused on disenfranchised social groups but later began to focus more attention on the middle and upper classes. As a field, it often borders on economic history on the one hand and on sociology and ethnology on the other.

Social history | branch of history | Britannica

Social history. Social history, sometimes described as the 'history of the people', or 'history from below', emerged as an alternative to conventional political history, both in terms of its objects of interest and its belief in deeprooted economic and social factors as agents of historical change.
