"ONE OF THE BEST VIETNAM WAR STORIES I'VE EVER READ, one damn good, compelling read. It's almost something out of a Clancy novel, yet it's true. The best thing I can say about it is I didn't want it to end." --Col. David Hackworth, New York Times bestselling author of About Face By the spring of 1970, American troops were ordered to pull out of Vietnam. The Marines of 1st Reconnaissance Battalion, commanded by Lieutenant Colonel "Wild Bill" Drumright, were assigned to cover the withdrawal of 1st Marine Division. The Marines of 1st RECON Bn operated in teams of six or seven men. Heavily armed, the teams fought a multitude of bitter engagements with a numerically superior and increasingly aggressive enemy. Michael C. Hodgins served in Company C, 1st RECON Bn (Rein), as a platoon leader. In powerful, graphic prose, he chronicles his experience as a patrol leader in myriad combat situations--from hasty ambush to emergency extraction to prisoner snatch to combined-arms ambush. . . . "THIS MEMOIR IS GRIPPING." --American Way

In 1st Force Recon you performed at a very high level of proficiency. Or you died. . . . In 1969, First Lieutenant Bill Peters and the Force Recon Marines had one of the most difficult, dangerous assignments in Vietnam. From the DMZ to the Central Highlands, their job was to provide strategic and operational intelligence to insure the security of American units as the withdrawal of the troops progressed. Making perilous helicopter inserts deep in the Que Son Mountains, where the constant chatter of AK-47 rifle fire left no doubt who was in charge, Peters and the other men of 1st Force Recon Company risked their lives every day in six-man teams, never knowing whether they would live to see the sunset. Peters's accounts of silently watching huge movements of heavily armed NVA regulars, prisoner snatches, sudden-death ambushes, and extracts from fiercely fought firefights vividly capture the realities of Recon Marine warfare, and offer a gritty tribute to the courage, heroism, and sacrifice of the U. S. Marines. . . .

When Johnny Comes Marching Home Again tells the stories of three soldiers in three wars. Three soldiers. Each someone's Johnny. Father, son. Brother, cousin. Husband, lover. Just plain buddy. Three conflicts. The Civil War, pitting North against South, Yank against Johnny Reb, brother against brother. The Vietnam War, North-South strife with Orwellian overtones. The War on Terror, Afghanistan theater. Three stories in screenplay format: "Owl Creek Bridge," based on the Civil War stories of Ambrose Bierce. "Sleeping With Charlie," adapted from the author's novel Solomon's Bluff. "Dawn's Early Light," inspired by a Leo Tolstoy story and a cinematic rendition by Sergei Bodrov Senior.

Excerpt: "I watched two point men take a 50-caliber machine gun bullet to the head, and watched the third being grabbed and taken behind enemy lines. Two of the enemy soldiers, which we often referred to as gooks, quickly came after me. As I quickly mowed them down with my automatic rifle, I crawled backwards away from the enemy gunfire, using my helmet to push sand in front of me as I went, which made it possible to look behind me. But as I looked back, I realized that my safety net was no longer safe. I saw my entire company falling like dominoes. Medics were running left and right, risking their lives to help others with bravery that even the most amazing soldier couldn't hope to match. Some of the events I witnessed during that moment were beyond comprehension. I watched a young, courageous black medic take an 81-millimeter round to his head, and his whole body instantly turned to smoke. Young nineteen and twenty year old kids were crying like children, but fighting like someone had raped their sisters. So many things were going through my head at that moment, and in one single heartbeat I was overwhelmed with a flashback of my entire life. This is my story, from point A to B, of my life and times in the midst of hell on Earth." Keywords: vietnam , vietnam war , war novel , war , war book , biography , autobiography

On April 29, 1968, the North Vietnamese Army is spotted less than four miles from the U.S. Marines' Dong Ha Combat Base. Intense fighting develops in nearby Dai Do as the 2d Battalion, 4th Marines, known as "the Magnificent Bastards," struggles to eject NVA forces from this strategic position. Yet the BLT 2/4 Marines defy the brutal onslaught. Pressing forward, America's finest warriors rout the NVA from their fortress-hamlets-often in deadly hand-to-hand combat. At the end of two weeks of desperate, grinding battles, the Marines and the infantry battalion supporting them are torn to shreds. But against all odds, they beat back their savage adversary. The Magnificent Bastards captures that gripping conflict in all its horror, hell, and heroism. "Superb . . . among the best writing on the Vietnam War . . . Nolan has skillfully woven operational records and oral history into a fascinating narrative that puts the reader in the thick of the action." -Jon T. Hoffman, author of Chesty "Real and gripping . . . combat with all the warts on." -Lieutenant General Victor H. Krulak, USMC (Ret.)

WHEN YOU'RE IN THE DEATH BUSINESS, EACH DAWN COULD BE YOUR LAST. Raw, straightforward, and powerful, Ed Kugler's account of his two years as a Marine scout-sniper in Vietnam vividly captures his experiences there--the good, the bad, and the ugly. After enlisting in the Marines at seventeen, then being wounded in

## Online Library Reluctant Warrior A Marines True Story Of Duty And Heroism In Vietnam

Santo Domingo during the Dominican crisis, Kugler arrived in Vietnam in early 1966. As a new sniper with the 4th Marines, Kugler picked up bush skills while attached to 3d Force Recon Company, and then joined the grunts. To take advantage of that experience, he formed the Rogues, a five-sniper team that hunted in the Co Bi-Tham Tan Valley for VC and NVA. His descriptions of long, tense waits, sudden deadly action, and NVA countersniper ambushes are fascinating. In DEAD CENTER, Kugler demonstrates the importance to a sniper of patience, marksmanship, bush skills, and guts--while underscoring exactly what a country demands of its youth when it sends them to war.

The shocking true story of Edmund Ciriello, an intelligence operative, who had a license to kill and the compassion to save lives. A compelling memoir about covert live in the shadows as only an insider can tell it. From his first mission behind enemy lines during the Korean War, to his rescue attempt of two kidnapped girls held in Saudi Arabia during Desert Storm, Cirello takes us inside his mysterious world. His many years in Chicago and Hollywood are an exciting and hilarious journey through the real world of private investigations. An explosive book relevant to the crises facing the world and the real reasons behind them.
