and change, the formation of enduring relationships with consumers is paramount, but also notoriously difficult. Developing a unique brand personality is increasingly recognized as a key method to achieving the goal of customer loyalty. Focusing on the creation, development and management of brands in the world ' s most dynamic, diverse and challenging business environment, Building Brands in Asia challenges the assumption that the continuing success of global brands in Asia is a given. The first part examines the challenge multinational corporations face in balancing brand consistency with local effectiveness. In the second part, attention shifts to Asian company brands, where the focus on branding has been relatively muted until now. Through a variety of sector and country contexts – from facilities management to football clubs, places to pop bands, home appliances to home weaving - we narrate simply and clearly the value, meaning, auditing, aligning, extending and architecture of brands from the likes of Haier, Ah Yee Taung, Axis Bank, OCS, Caltex, Manchester United and Thai Airways in markets as diverse as Japan, Laos, Korea and Singapore. Replete with anecdotes, interviews and case studies, Andrews and Chew provide an insightful, detailed and timely examination for all those interested in today ' s primary corporate preoccupation set in the world ' s most exciting marketplace.

Arguably, one of the long waited political handover of power, globally, happened in November 2017 in Zimbabwe when the former and now late 37- year long serving and divisive President, Robert Gabriel Mugabe was forced out of power by a combination of forces that were spearheaded by the military ' s Operation Restore Legacy. Mugabe ' s departure ushered in President Emmerson Dambudzo

Mnangagwa ' s reign. This transition has variously been characterised as marking the inauguration of the Second Republic or New Dispensation or as heralding a new Zimbabwe that is ' Open for Business ' . From the moment of the investiture of President Mnangagwa ' s government, anticipations of seismic changes to the order of doing business by both the incoming government and the larger Zimbabwean society in general, were extremely high. There was an expectation that international cooperation with global partners, especially in the West, would be restored alongside the reinvigoration of a near comatose domestic economy. But, did this ever happen? This volume interrogates the impact of the introduction of the Mnangagwa administration from November 2017. The book seeks to broadly dissect and troubleshoot issues of continuity and change from Mugabe ' s reign into Mnangagwa ' s Second Republic. In doing so the book attempts to respond to the grand question: " To what extent has Mugabeism that was the hallmark of Mugabe ' s reign, continued or discontinued into the Second Republic? " The volume, which comes as a sequel to *The end of an era? Robert Mugabe and a conflicting legacy*, is sure to generate interest and responses from students and academics in the fields of History, International Studies, Political Science, Sociology and Social anthropology, as well as from practitioners in the human rights, transitional justice, conflict resolution, security studies and diplomatic fields.

What if justice isn't enough? Schalk Lourens got out his phone and started filming, something Pieterse taught him years ago. Keep a record. Do it yourself, boykie, every time. That way you can be sure. Cover your arse. Don't trust any of them. Schalk began with Pieterse himself, what was left of him. Cape Town, South Africa. Retired police chief Piet Pieterse has been murdered, necklaced in fact. A tyre placed round his neck, doused with petrol, set alight. An execution from the apartheid era and one generally confined to collaborators. Who would target Pieterse this way, and why now? Veteran copy Schalk Lourens is trying to forget the past. But Pieterse was his old boss and when Schalk is put on the case, he finds the past has a way of infecting the present. Meanwhile, it's an election year. People are pinning their hopes on charismatic ANC candidate Gideon Radebe but there's opposition and in this volatile country, unrest is never far from the surface. Schalk must tread a difficult path between the new regime and the old, between the personal and the professional, between justice and revenge. This investigation will change his life, and could alter his county's future. "A truly remarkable book. South Africa comes to vivid life in these pages." - Kerry Gteenwood "A gripping story of murder, revenge and betrayal set in the new South Africa." - Malla Nunn
